good that can be your partner.

In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books.

Ten Keys to Handling Unreasonable & Difficult People ...

Keep it logical. This type of heart-centered communication only works with reasonable people who care. Unreasonable people usually don't care, and their response (or lack of it) will often only make you more upset. Keep communications fact-based, using minimal details.

Review: The Power of Unreasonable People (SSIR)

According to the most recent book by John Elkington and Pamela Hartigan, "Power of the Unreasonable Person: How Social Entrepreneurs Create Markets that Change the World" that is exactly how they argue the word ought to be interpreted and used. The general premise of the book was inspired by playwright George Bernard Shaw who once said,...

The Power of Unreasonable People: How Social Entrepreneurs ...

Yet as John Elkington and Pamela Hartigan argue in *The Power of Unreasonable People*, our very future may hinge on their work. Through vivid stories, the authors identify the highly unconventional entrepreneurs who are solving some of the world's most pressing economic, social, and environmental problems.

The Power of Unreasonable People: How Social Entrepreneurs ...

The Power of Unreasonable People offers a typology that illuminates what the broad range of social entrepreneurs share and don't share. The authors distinguish three categories of social entrepreneurs: those primarily dependent on philanthropic or government support; those fundamentally supported by market revenues (but who differ from normal for-profit leaders in their self-imposed trade-off of profit maximization for social value); and those working in hybrid organizations that blend ...
