...

***The Prince of Los Cocuyos is
hands-down the best memoir
I've ever read. Richard Blanco
does absolutely everything
right. Each chapter tells a
single story small enough to
be fleshed out in full detail,
but themes of belonging,
family, and finding your place
stretch effortlessly
throughout each one,
connecting them all into a
resoundingly satisfying
whole.***

and his attempts to understand his place in America while grappling with his burgeoning artistic and sexual identities.

***The Prince of Los Cocuyos -
Wikipedia***

Richard Blanco's prismatic and lyrical memoir of growing up in a family of Cuban exiles in Miami during the 1970s and '80s, The Prince of los Cocuyos, is a rich account of how Blanco, the first Latino and openly gay inaugural poet of the United States, came to understand his place in America while grappling with his burgeoning cultural, artistic, and sexual identities.
