In The Promise of Happiness, Sarah Ahmed is concerned with addressing the questions and implications associated with happiness. In fact, one of her initial observations that helped foreground her conversation on happiness was a point on associations.

The Promise of Happiness – Social Text

associated with happiness, which means to be associated with its associations. The very promise that happiness is what you get for having the right associa- tions might be how we are directed toward certain things. Happiness shapes what coheres as a world.

Review: The Promise of Happiness | affectsphere

The Promise of Happiness is a provocative cultural critique of the imperative to be happy. It asks what follows when we make our desires and even our own happiness conditional on the happiness of others: " I just want you to be happy "; " I ' m happy if you ' re happy. "

The Promise of Happiness by Sara Ahmed | 9780822347255 ...

" Engaging with a rich history of literature, theory, and film, Sara Ahmed ' s The Promise of Happiness highlights the myriad ways in which happiness has been used to form our desires, goals, and aspirations. Throughout the book, Ahmed insightfully points to the ways in which the promise of happiness dictates how we live and, more importantly, how the path to this ideal is often fraught with much unhappiness for those who experience oppression and injustice. "
