# Read Online The Psychology Of Superheroes An Unauthorized Exploration Robin S Rosenberg

edited by Robin S. Rosenberg, Ph.D. with Jennifer ...

In *What is a Superhero?*, psychologist Robin Rosenberg and comics scholar Peter Coogan explore this question from a variety of viewpoints, bringing together contributions from nineteen comic book experts--including both scholars in such fields as cultural studies, art, and psychology as well as leading comic book writers and editors.

## The Superheroes | Psychology Today

At their best, superhero origin stories inspire us and provide models of coping with adversity, finding meaning in loss and trauma, discovering our strengths and using them for good purpose. (Wearing a cape or tights is optional.) Comic book writers could have chosen not to endow their characters with origin stories.

## The Psychology of Superheroes: An Unauthorized Exploration ...

Psychology of fictional characters is becoming a new trend in scientific discussion. Before, talking about our modern mythological heroes was not taken very seriously by academics. Through the culmination of comic book history, society often sees comics as enjoyed only by children or 'fanboys'.
