***The Pursuit of Motherhood | Fertility Network
The Pursuit of Motherhood is a collection of true-life stories, written by moms for moms. My chapter is written for moms of special needs children. While it's been several years since we entered the realm of therapists, multiple doctors, evaluations, Psychologists, etc., I remember those early days, trying to make sense of it all.***

The Pursuit Of Motherhood (Paperback)

If you've ever experienced the pursuit of motherhood... This book is for you. It is currently estimated that one in five couples have difficulty conceiving. Hepburn's book which describes her long and, at times, heartbreaking journey to have a child has been called a cross between Bridget Jones' Diary and Eat Pray Love for the infertile generation.

Books | Jessica Hepburn

The Pursuit of Motherhood: Jessica Hepburn: 9781783061877 ...

This book is not just about the pursuit of motherhood, but also about womanhood. Hepburn's is a voice, brave enough to speak out about the difficult topic of infertility, which is too often brushed aside or left unacknowledged.

The Pursuit Of Motherhood

Perhaps most poignantly, the author closes the book without having gotten her happy ending, acknowledging that her pursuit of motherhood has become a life all its own, but firm that it will be followed with a new life of

goodness, whether with child or without.
