Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).

The Rebel Bride was my second novel. Although it was originally published as a Regency, I always felt that it was a historical romance at heart. So, I've rewritten this story of two stubborn, strong-willed

people, and Topaz is bringing it out again for you - this time as the historical it could have been.

The Rebel Bride Regency Series Book 1 PDF

I first read The Rebel Bride in its original Signet imprint. Several years later, I picked it up in this new edition. Either way, it was totally disappointing. Apparently in the 80's the idea of the hero raping the leading lady was considered cutting edge (I didn't think so then and certainly don't think so now), because it seemed a standard trope for many authors.
