Once you've found a book you're interested in, click Read Online and the book will open within your web browser. You also have the option to Launch Reading Mode if you're not fond of the website interface. Reading Mode looks like an open book, however, all the free books on the Read Print site are divided by chapter so you'll have to go back and open it every time you start a new chapter.

The Relationship Model of Addiction Humanizes Addiction

The Relationship Model of Addiction establishes a new standard for understanding and treating addiction. It expands the disease concept by re-defining addiction as a relationship. The model accounts for the cause of addiction as related to the preponderance of non-emotionally nourishing relationships, unmet emotional needs, the resultant pain and need to relieve that pain.
