Toni Cade Bambara's important multilayered novel The Salt Eaters (1980) is set in the community of Claybourne, Georgia, during the late 1970s. The novel centers on the attempted suicide and healing of the main character, Velma Henry, as she comes to grips with the fragmentation, rage, and self-will that have driven her in the past.

The Salt Eaters Summary | SuperSummary

Bambara's get-right-into-it, media res approach has served her stories well (Gorilla My Love, The Seabirds Are Still Alive); after all, stories have unmistakable on-and-off switches. But in her first novel, the immediate dunking-down of the reader into a whirling broth—of voices, images, contrasting traditions, comedies, and knowledges—works less certainly.
