WORLD WAR 3 seemed almost unavoidable at times during the Cold War, so Britain and the US developed plans to 'ravage the Middle East oil industry' if the Soviet Union invaded, secret files revealed.

The Secret World of Oil - Verso Books

The secret world of oil will probably be just as secretive after you've read the book. It's an interesting enough book, in its own way, but the title is a little misleading. What the author does is profile five different individuals, one per chapter, who are players in the oil game, among other things.

The Secret Wealth Of The World’s Richest Oil Billionaires ...

Energy journalist Silverstein’s study of the routinely corrupt but immensely profitable world of oil “fixers.” When it comes to democratic nations conveniently turning a blind eye to the human rights violations of dictatorial regimes around the world that also happen to be rich in oil, we’re not talking about a new story.
