Surveillance Capitalism -
Harvard Business Review
She notes that surveillance capitalism reaches beyond the conventional institutional terrain of the private firm and accumulates not only surveillance assets and capital, but also rights and operates without meaningful mechanisms of consent. Surveillance has been changing power structures in the information economy.

Big Other: Surveillance Capitalism and the Prospects of an ...

Surveillance capitalism claims human experience as free raw material for translation into behavioural data. The objective is to automate us. This new capitalism has given birth to instrumentarian power, that is power whose aim is to shape human behaviour towards others' ends. Essentially, surveillance capitalism is parasitic.
