The silk industry of Japan - Biodiversity Heritage Library

Thus, thanks to the silk industry, the French language was popularised in Lebanon. In those days, the silk season was a great agro-industrial event for thousands of Lebanese. It constituted 50% of the GDP of Mount Lebanon. In fact so many families farmed the silk worm at that period, that it became a tradition called "the season of glory."

We are familiar with silk for the textile industry, although silk garments are also used clinically to treat dermatological conditions, especially atopic dermatitis 109 and acne vulgaris 110 (Table 2). Mechanical skin irritation by harsh, rough (e.g., wool), and short (e.g., cotton) textile fibers is thought to contribute to atopic dermatitis.

The industry, he says, has to diversify and move to value-added products, particularly as the use of silk sari is falling. Until now the silk sari has not been duplicated by the powerlooms due to its uniqueness, but soon that may also happen and the industry should be geared to take on the powerlooms as well.
