THE SORROWS OF EMPIRE: Militarism, Secrecy, and the End of the Republic. A Ciceronian indictment of our nation's transformation from lone superpower to imperial bully."Like other empires of the past century," writes Japan Research Policy Institute president Johnson ...

Chalmers Johnson - Wikipedia

In *The Sorrows of Empire* Chalmers Johnson has compiled and constructed a brilliant analysis of United States military policy and its history, as well as evolution, of imperialistic tendencies. The book presents an overwhelming amount of superbly done research as well as an incredible array of statistical information to buttress the arguments that Johnson wishes to promulgate.

The Sorrows of Empire | Chalmers Johnson | Macmillan

From *The Sorrows of Empire*: - The 725 U.S. military bases acknowledged by the Department of Defense do not include the many used for communications espionage, control of the world's oil supply, or those that are simply too embarrassing for the government to speak about openly (such as the fourteen permanent bases being built in Iraq).

Chalmers Johnson's *The Sorrows of Empire* is not an easy, or a pleasant, book to read. In fact, it is a frightening and often tragic examination of a nation caught in the grips of its own lust for power, and the sorrows that result from the quest to conquer.

The Sorrows of Empire: Militarism, Secrecy, and the End of ...
In *Sorrows of Empire*, Johnson discusses the roots of American militarism, the rise and extent of the military-industrial complex, and the close ties between arms industry executives and high-level politicians. He also looks closely at how the military has extended the boundaries of what constitutes national security in order to centralize intelligence agencies under their control and how statesmen have been replaced by career soldiers on the front lines of foreign policy--a shift that ...
