The Stars My Destination by Alfred Bester | LibraryThing  
Alfred Bester was among the first important authors of contemporary science fiction. His passionate novels of worldly adventure, high intellect, and tremendous verve, The Stars My Destination and the Hugo Award winning The Demolished Man, established Bester as a s.f. grandmaster, a reputation that was ratified by the Science Fiction Writers of America shortly before his death.

The Stars My Destination Quotes by Alfred Bester  
The Stars My Destination is one of the more memorable books I've read in recent years, as well as one of my favorites. Written by Hugo winner Alfred Bester in the mid-1950s, the short novel, stays away from the technobabble and neologisms that might date it and as a result it retains potency decades after publication.
