The Study of Second Language Acquisition, by Rod Ellis ...

Second-language acquisition, second-language learning, or L2 acquisition, is the process by which people learn a second language. Second-language acquisition is also the scientific discipline devoted to studying that process. The field of second-language acquisition is a subdiscipline of applied linguistics, but also receives research attention from a variety of other disciplines, such as psychology and education. A central theme in SLA research is that of interlanguage, the idea that the langua
