The Suit: Form, Function and Style, Breward

Or rather, it is every suit, both its corporeal form and symbolic resonance. Breward examines the suit in all of its aesthetic, material, philosophical and political qualities. He looks at it as both a thing of beauty and refinement, and as an object of scientific achievement; as a symbol of tradition and conformity, and as an adaptable vessel of changing ideas of masculinity and modernity.

Form follows function - Wikipedia

The Suit Form, Function and Style Christopher Breward. The Suit unpicks the story of this most familiar garment, from its emergence in western Europe at the end of the seventeenth century to today. Suit-wearing figures such as the Savile Row gentleman and the Wall Street businessman have long embodied ideas of tradition, masculinity, power and respectability, but the suit has also been used to disrupt concepts of gender and conformity.

Interior Designers Raleigh NC - Home Decor - Form & Function

Form follows function is a principle associated with late 19th and early 20th century architecture and industrial design in general, and it means the shape of a building or object should primarily relate to its intended function or purpose.

The Suit: Form, Function and StyleChristopher ...

The Suit: Form, Function and Style Herring's account ends in 1974, before the abuses of the public realm associated with the Thatcherite regime were felt, before the passion for heritage and revivalist street furniture was ignited and before vandalism of the public realm became of widespread concern, discussed urgently by policymak- ers.
