'The Third Man' as a Story and a Film

The Third Man. By Michael Korda. Graham Greene was a complicated, acerbic, and contradictory man, with a wry sense of humor and a schoolboy's taste for pranks and practical jokes; he loved making a mystery of his life, and he kept the three different aspects of his identity—the writer, the public figure, and the private man—separate and distinct.

The Third Man review - a near-perfect work | Film | The ...

The writing of Greene is wonderful: you can see the plot twisting around Cotten tightly. But what makes The Third Man so great is its historical commentary (well not really historical since it was commenting on its own time, but to us it is historical). On one level The Third Man is a story of betrayal and corruption in a post-war, occupied Vienna.
