As educators, the inclusion of Indigenous counter-stories in truth and reconciliation education allows us to imagine reconciliation between settler Canadians and Indigenous peoples, where the latter are not characterized by the singularizing image of victimhood. Recommended Resources. National Centre for Truth and Reconciliation Teaching Resources.

The Truth About Stories: A Native Narrative by Thomas King

In The Truth About Stories, Native novelist and scholar Thomas King explores how stories shape who we are and how we understand and interact with other people. From creation stories to personal experiences, historical anecdotes to social injustices, racist propaganda to works of contemporary Native literature, King probes Native culture's deep ties to storytelling.

As a collective, these stories highlight the ways that colonization continues to shape Native students' experiences in schools. By documenting the nuanced intelligence, courage, artfulness, and survivance of Native students, families, and educators, the book counters deficit framings of Indigenous students.

The Truth About Stories Indigenous
The truth about stories is that that's all we are is a refrain that he repeats near the beginning of each chapter, after he retells, with a slight variation each time, the turtle story. His voice is mild and moderated by a lifetime of experience, but he makes incisive and unflinching assessments of Canadian history.
