According to everybody, including the authors of this book, Hawaii the Big Island Revealed really is the ultimate guidebook. I did enjoy the easy-going attitude of the writing and the extremely frank opinions shared, but after reading the whole book from cover to cover, I think it should be retitled "Hawaii Boot Camp for Jocks, Daredevils, and Twenty-somethings" because even just reading it was physically exhausting.

The best guidebook we found for Kauai (ditto for Maui and Maui Revealed: The Ultimate Guidebook) The author lives on Kauai so brings a nice local perspective, includes some great tips, is super comprehensive, and brings some down-to-earth touches and humor to his suggestions and reviews. Highly recommended to anyone wishing to go a little beyond the typical tourist sites (and make the best of the not-to-miss ones everyone will be doing).
