We're always down for a horror movie, but for a dose of real terror, we turn to terrifying psychological thriller books. Because while ghosts and bloodthirsty creatures can give you the spooks, the best scares are the ones that play with your head and remind us the real terrors are the ones that come from the people around us.

The thriller genre is a fairly broad church containing everything from Jack Reacher's famously high body counts to the kind of books that K L Slater writes. These Slater books are more well-written dramas than outright thrillers and this one more than most. I found it engaging and enjoyable even though it is an extremely patient and low key setup.
