She takes comfort in the attentions of a handsome surgeon, but Edwin Blake isn't all he seems. And as the Blitz descends on the capital, Maxine faces more heartache.

**The War Nurses (The War Nurses #1) by Lizzie Page**

More important, the war served as the beginning of moving the profession from the home to the hospital and clinic. The result was an explosion of nursing schools in the late nineteenth century. Usually these schools were closely associated with a hospital, and nurses—all of whom were assumed to be female—lived and worked at the hospital.

**Women Nurses Throughout War History**

Under-Appreciated and Under Fire. Over 22,000 professionally-trained female nurses were recruited by the American Red Cross to serve in the U.S. Army between 1917 and 1919 – and over 10,000 of these served near the Western Front. More than 1,500 nurses served in the U.S. Navy during this period, and several hundred worked for the American Red Cross.
