The Way We Re Working
The Way We're Working Isn't Working
is one of those rare books with the power to profoundly transform the way we work and live. Demand is exceeding our capacity. The ethic of "more, bigger, faster" exacts a series of silent but pernicious costs at work, undermining our energy, focus, creativity, and passion.

working” because employers assume that their staffers function the way machines do: in a flat, linear fashion for long stretches at a time. But human beings are not computers. People perform best by working intensely for a period, ...

Rockstar Book Review: The Way We're Working Isn't Working ...

“The world of work is facing a number of contradictions: we’re working longer and harder but productivity rates are at an all-time low; employee engagement is on a downward trend while workplace burnout is on the rise; and tech-enabled work has led to an always-on, 24-hour work culture.

The Way We're Working Isn't Working
Free Summary by Tony ...

The way we're working isn't working,
he says (which is also the title of his
new book). Regardless of how much
value we produce today—whether it's
measured in dollars or sales or goods
or widgets—it's never enough. We're
so busy trying to keep up that we
don't realize we're in a Sisyphean
race that we can never win.

power to profoundly transform the way we work and live. Demand is exceeding our capacity. The ethic of "more, bigger, faster" exacts a series of silent but pernicious costs at work, undermining our energy, focus, creativity, and passion.

The Way We're Working Isn't Working

"The Way We're Working Isn't Working" challenges some of our current paradigms regarding our approach to work, and uses science and professional sports to show us that not only is there another way, but there is a better way.
