But the real purpose of her museum talks was far more interesting. The Woman Who ...

The Man Who Saw Everything by Deborah Levy

The song tells the nonsensical story of an old woman who swallows increasingly large animals, each to catch the previously swallowed animal, but dies after swallowing a horse. The humour of the song stems from the absurdity that the woman is able to inexplicably and impossibly swallow animals of preposterous sizes, suggesting that she is both superhuman and immortal.

The Woman Who Knew Everything

As a gay woman from a small town, Revils had read Ginsburg's opinions in college and started researching her. "This is the woman that changed everything for women and for men," she said.

The Woman Who Knew Everything

A woman previously all but unknown had, through concentrated self-education, not only mastered her era's most advanced positions but extended them on the strength of her prodigious investigations into our natural and cultural past, and was now quite unabashedly using her voice to call into question the reigning romanticisms of the mid-19th century.
