The world merchant fleet in 2017 - MaritimeCyprus

The British Merchant Navy comprises the British merchant ships that transport cargo and people during times of peace and war. For much of its history, the merchant navy was the largest merchant fleet in the world, but with the decline of the British Empire in the mid-20th century it slipped down the rankings. In 1939, the merchant navy was the largest in the world with 33% of total tonnage.
