Book review: How to Think About Money, by Jonathan Clements

It's a quick read, with about 140 pages of text, a 6-page foreword by Dr. William Bernstein (another esteemed WCI conference speaker), and a handful of pages of references. Clearly, Mr. Clements and I think alike when it comes to money, and it could be because we're reading the same reference material and believe in evidence-based money management, but I believe there's more to it than that.
