Most ebook files open on your computer using a program you already have installed, but with your smartphone, you have to have a specific e-reader app installed, which your phone probably doesn't come with by default. You can use an e-reader app on your computer, too, to make reading and organizing your ebooks easy.

Amazon.com: Customer reviews: This Is Me Letting You Go

About the Book. Letting go is not a process that comes naturally to us. In a world that teaches us to cling to what we love at all costs, there is an undeniable art to moving on – and it's one that we are constantly relearning. In this series of honest and poignant essays, Heidi Priebe explores the harsh reality of what it means to let go of the

### This Is Me Letting You

This is an excellent book for anyone who needs to let go of someone they love but really don't want to. It lets you look at the reality of your situation, as difficult as that might be, and understand that it is time for you to move forward, both for you and the other person. Life changes things change and we shouldn't fight against this.

That sometimes the best thing you can do for someone you love is to let them go – to do more, feel more, be more than the person they ever could ever have become by your side. So this is me unclasping my fingers. This is my parting, my reluctance, my heartache and my final gift to you. This is me letting you go.
