FREE DOWNLOAD!The debut novel of Saladin Ahmed, Throne of the Crescent Moon, is something fresh and very conversant in the genre of fantasy. Moved as much by the fairytales of primitive Arabia and Persia as by the plot structures of great fantasy, the outcome is an appealing mixture. Featuring daring dervishes, leading alchemists, and a heavy ghost hunter looking for retirement as the ma

Throne of the Crescent Moon is a pretty good debut novel. I thought the characters were great, the plot fun, and the world a nice change from medieval Europe. The magic is the weakest part of the book, because it seems to be used too easy by the characters, with little or no cost involved.

The Crescent Moon Kingdoms, home to djenn and ghuls, holy warriors and heretics, are at the boiling point of a power struggle between the iron-fisted Khalif and the mysterious master thief known as the Falcon Prince. In the midst of this brewing rebellion a series of brutal supernatural murders strikes at the heart of the Kingdoms. But these ...

Throne of the Crescent Moon (Audiobook) by Saladin Ahmed ...
Throne of the Crescent Moon is tightly plotted, action-packed and builds an interesting world. but the the characters aren't as well-developed and the world is not as well-detailed as I'd like (although we do get a sense of all the nearby realms, instead of just the kingdom that the story is based in.)

Throne of the Crescent Moon While my husband is a huge fantasy / sci fi geek and will consume even the most mediocre work, I'm pretty picky. This was a great read - depth & complexity of character without heavy handed or cliched phrasing, and the author took clear care to make the story a great beginning of a trilogy without making it an insufferable cliffhanger.

The Crescent Moon Kingdoms Series by Scott H. Andrews
Throne of the Crescent Moon blends epic fantasy and sword & sorcery together and places it in a middle eastern inspired fantasy world. The setting is an absolute breath of fresh air for me. So many fantasy stories take place in a pseudo-medieval european context or just take modern day society and slap medieval dressing on it.
