## Thumb Position Exercise | How To Music | Sarah Joy

It may seem odd to have an entire article devoted to the position of the left thumb in cello technique. The reason for this is because traditional cello technique maintains that the left thumb should always stay across from the second finger and I would like to provide an alternative perspective.

## Cello Lesson - Thumb Position on the Cello

Although 1st position is the most commonly used position in beginning cello music, there are seven regular positions, plus the thumb position, and for very advanced cello music, 8th and higher positions (note: advanced cellists are usually less concerned with positions, and are more focused on selecting fingering that works well with particular passages of music).
