To each his own, to each his own And my own is you. What good is a song if the words don't belong And a dream must be a dream for two No good alone to each his own For me there's you. If a flame is to grow there must be a glow To open each door there's a key I need you I know, I can't let you go Your touch means too much to me

To Each His Own (film) - Wikipedia

His historical examples are often fascinating, and this, along with his clear prose, makes his book a pleasure to read. The examples are nicely judged to illustrate the characteristic features of each of his spheres of justice, and the persistence yet diversity of certain themes in the social meanings people give to their experience.
