My favorite baby memory book is the one by Pearhead, which comes in a variety of colors (click here to see all 3 colors on Amazon), and makes a great gift to give at showers, or is the ideal keepsake to pick up for yourself. Priced reasonably, the Pearhead baby book has lots of space to put photos throughout your little one's first months of life.

Toddler Memory Book: A Journal and Scrapbook for the ...

Do you keep a memory journal for your kids? I do and let me tell you why I do and why I think you should too. I don't want to forget the small, everyday things. I'm not talking about milestones, like learning to walk, eating food for the first time, or saying a first word. I think those are pretty special too,

A tradition I started from the start of my teaching profession was to give each student a preschool memory book that highlighted their year in our classroom. These books are handed out the last week of class and my preschool families appreciate them. I often hear from alumni parents how they still look back on these books and cherish those memories.

Toddler Years Journal | Ages 1-5, Personalized Toddler ...

The memory book is available in both a toddler girl version and a toddler boy version — same questions and pages, but they're illustrated and themed a bit differently. And we have to take issue with that. Like, why gender this? Who says that your three-year-old daughter will automatically love princesses and tiaras and mirrors and roses — and not dinosaurs, which is the illustration for ...
