humanitarian aid, justice, mental health, public health and social service systems. The journal recognizes that child protection is a global concern that continues to evolve.

Tortured: Abused and neglected by Britain's most sadistic ... This book is well worth the read. How a mother could abuse and torture some of her children like she did is horrific. It upset me that so many people turned a blind eye to the abuse and could have helped. The inner strength this abused child found is a testimony of the will to live. I recommend this book. Just know it is upsetting but well written.

Child Abuse & Neglect - Journal - Elsevier

abuse and neglect. Most States recognize four major types of maltreatment: physical abuse, neglect, sexual abuse, and emotional abuse. Additionally, many States identify abandonment, parental substance use, and human trafficking as abuse or neglect. While some of these types of maltreatment may be found separately, they can occur in combination.

Animal Abuse and Neglect - Animal Shelter | seattle.gov

Although animal cruelty laws vary considerably from state to state, these statutes typically outlaw the most recognized forms of abuse—torture or mutilation—as well as neglect and abandonment. Laws Change. Because states can change
