This is the Toshiba TV website. On it you can find information about new TVs as well as support information.

## **Product Search | Toshiba Television**

Programming a Toshiba remote control requires access to the remote control codes table found in the owner's manual or user guide for the Toshiba device. Although many Toshiba remote controls include a "search" feature that automatically links the device to its proper code, the feature does not work with all television brands. If the device's manual is inaccessible, browse the Internet for the device's corresponding Toshiba remote control code.
