I have a Totaline p374-1700 that suddenly has a blank ...
My old Totaline thermostat broke after 10 years, but when I looked for a replacement, I didn't realize how many of the store-brand models out there didn't have the great features of this unit. These are hard to find, usually only through HVAC installers. This version was a remodeled style of my old one, but the heart and brains are the same.
