transcultural health care a culturally competent approach ...
The authors celebrate diversity without identifying culture as a problem to be overcome in order to deliver Western health care as some other approaches do. Some expected materials arc not included in this book. Kleinman, Eisenberg and Good's Explanatory Model, used widely in transcultural nursing care, is not presented.

Transcultural Health Care A Culturally Competent Approach ...
A very accessible text with good information for use in a clinical setting or for students preparing for clinical practice. I use this text to facilitate discussion and learning with pre-professional health students and appreciate its practical approach to learning the aspects of culture most salient to providing good and culturally sensitive health care.
