A Social Work Journal - Taylor & Francis

Findings: Although social workers are now more frequently engaged in international activities than ever before, they remain divided on a number of critical issues. These include the definition of international social work; the nature and impact of globalization on social work; the proper role of remedial,...

(PDF) AN INTRODUCTION TO TRANSNATIONAL SOCIAL WORK

Transnational practitioners can enrich and enliven social work practice globally through a respectful and open and embedded engagement with the "local" in each node of the transnational professional space.

Transnationalism | Königeter | Social Work & Society

Based on a qualitative research on social work with transmigrants, this paper describes emerging practices of transnational social work in Belgium. We argue that transnational social work is as much an attitude as an actual practice, as the development of a transnational awareness serves as an important precondition for recognizing transmigrants' welfare needs.

Transnational Social Work Practice: Nalini Junko Negi ...

Transnational practice can occur at many places along the continuum of relationships between nations. While transnational practice occurred prior to the advent of the Internet, the limitations placed on this type of practice by distance and resources made it difficult to conduct. The Internet has made transnational social work less of a niche specialty and more of a mainstream part of the social work profession.
