1998 Triumph T595 | HowStuffWorks
Triumph's T595 is an extraordinary motorcycle. If you consider the fact it's built by a company that didn't exist 15 years ago, that 10 years ago had no production facilities and five years ago produced less than 5000 bikes, its existence is nothing short of remarkable.

Daytona T595 955i
On the road the T595 shone brighter than the metallic yellow finish of the launch bikes, as that three cylinder engine delivers plenty of real world grunt. It also sounds lovely. Twenty years later and these once darlings of the Triumph range can be bought for buttons, two grand secures you a stunner and you can work backwards for bikes that have had a hard life.

Triumph Daytona 955i - Wikipedia
The 1998 Triumph T595 motorcycle was part of Triumph's resurgence in the 1990s, though this resurgence was admittedly in name only; the original Triumph motorcycle company was long gone, as was the fabled factory at Meridan.

Triumph Daytona T595 Technical Specifications - Ultimate Specs
The Triumph Daytona T595 was introduced in 1997 in an attempt by Triumph to tap into the sports bike market. Despite the T595 name, the bike featured a 955 cc displacement in-line three-cylinder engine designed in part by Lotus. Along with the other triple-cylinder Triumphs, the Daytona helped to establish the newly managed manufacturer and its distinctive and unique three-cylinder motorcycles.

Hi everyone, got my T595 ('97) from my dad last year (he made only about 1000 km in 4 years when he had it), but i have only problems with it :(i was able to find some solutions in these forums, but hopefully you'll be able to help me a little bit more... Signal lights and fuses I mounted LED...

1997 Triumph Daytona T595 specifications and pictures
Riding the T595/955 has never been as silky as swinging a leg over a Jap four, but you get a connection with the Trumpet that you simply don't get with a rice-burner. Yes the clutch can be heavy, yes your wrists can ache on the early models, sure it runs hot, but it's involving, visceral, emotive and, yes, sometimes agricultural.
