Do It yourself - Home UPS | Prices | Tubular Batteries for ...
Genus tubular batteries are designed to deliver consistent and reliable power every time. Their plates are engineered to provide higher efficiency while maximizing battery life, which also ensures that the tubular battery price stays competitive.

Tubular Battery – GOLDSTAR POWER LIMITED
Tubular battery is a type of lead acid battery in which the positive electrode is not a grid, but a comb like lead skeleton that holds the positive material with the help of tubular bags. The structure looks like a series of tubes kept side by side along the length of the electrode, hence the name "tubular".
