Economia collaborativa - Wikipedia

Founded in 1893, University of California Press, Journals and Digital Publishing Division, disseminates scholarship of enduring value. One of the largest, most distinguished, and innovative of the university presses today, its collection of print and online journals spans topics in the humanities and social sciences, with concentrations in sociology, musicology, history, religion, cultural and ...

Textbooks available as eBooks in the Library | Dr. Martin ...

In Uberland: How the Algorithms are Rewriting the Rules of Work, technology ethnographer Alex Rosenblat argues that Uber's reluctance to classify its drivers as "employees" strips them of their agency as the company's revenue-generating workforce, resulting in lower compensation and, in some cases, risking their safety.

Sharing economy - Wikipedia

L'economia collaborativa, o economia condivisa (sharing economy in inglese), è un modo di distribuire beni e servizi che differisce dal tradizionale modello di società che assume dipendenti e vende prodotti ai consumatori. Nell'economia della condivisione, si dice che le persone fisiche prendano in locazione o "condividano" beni mobili e immobili come la propria auto, casa e tempo personale ...
