Unconventional Investing: Alternative Strategies Beyond ...

When it comes to investing, the conventional wisdom is to buy-and-hold a balanced portfolio of stocks and bonds. However, following the markets that resulted from the popping of the tech and housing bubbles, many investors either questioned the validity of this advice or the discipline required to follow this strategy.

Unconventional Investing: Alternative Strategies Beyond ...

Debut authors Higgins and Hajek propose a boldly different investment strategy. Financial planner Higgins and CPA Hajek have combined their expertise to design a strategy designed to upend the investing apple cart. Claiming that the conventional balanced portfolio of 60 percent stocks and 40 percent bonds is impractical, they urge readers to "step outside-the-box and consider some different ideas and ...

Make More Money with Unconventional ... - Sovereign Man

Alternative investments are nontraditional investments beyond the more typical stocks, bonds or mutual funds. Some have exotic names like long/short strategies, but all serve to diversify a portfolio. The main reason for investing money in alternatives is to own some assets that don't lockstep with the stock and bond markets.

Unconventional Investing: Alternative Strategies Beyond ...  
This book explains why the conventional strategies of buy & hold and owning the classic mix of 60% stocks and 40% bonds will not be successful in the long run. It highlights many headwinds that most investors are simply unaware of. For example, how people (as emotional beings) are influenced by market sentiment.

Unconventional Investing: Alternative Strategies Beyond ...  
Sovereign Man's second core goal is to help you make more money and grow your wealth through unconventional investment opportunities around the world. When I say unconventional, I don't mean weird or highly risky. I mean beyond conventional wisdom... in other words, beyond the status quo.
