## **Uncovering the Past**

When one hears the words archaeology or archaeologist, often what comes to mind is an image of a romantic figure: Indiana Jones exploring exotic places in search of treasure and adventure. Indeed, novels, movies, and many popular accounts of archaeological discoveries have made this concept widespread.

## **Uncovering the Past: A History of Archaeology by William H ...**

In *Uncovering the Past*, William H. Stiebing, Jr. offers an absorbing nontechnical history of archaeology, tracing the study of ancient material culture from its beginnings in the Renaissance through its development into the sophisticated modern discipline we know today. The first study to focus on archaeology as a discipline, Stiebing has organized this concise history into the four stages of archaeological development.
