UNDERSTANDING PRICE ACTION - WordPress.com

Bob Volman focuses on a specific price action trading style that is not suitable for everyone. He aims to extract small profits out of the forex market using the 70-tick time-frame. The writing style is genuine and practical. Compared to Al Brooks' price action series, this price action trading book is highly readable.

Top 10 Price Action Trading Books - Trading Setups Review

Bob says that we need to see a convincing reversal pattern and if we don't have it (11.9 I think) we should wait for more price action to confirm that the bulls are losing. I was put off by a huge bullish candle (4) because I thought that was a terrible way for the bulls to make a break.
