Courses | Management Study Guide

Research into unit management in prisons was necessitated by a need to change the way in which South Africa deals with prisoners. The lack of respect for human dignity, poor control in prisons before and after demilitarisation and the need to reduce crime in South Africa are some of the reasons why the study became important.

Planning the Best Curriculum Unit Ever | Edutopia

Today, many practitioners still debate over the term software engineering, often arguing that this discipline does not meet the criteria of engineering; rather, it should be called software development. There are several areas to focus on within software engineering, such as design, development, testing, maintenance, and management.
