4 Tips To Master Thinking With Both Sides Of Your Brain ...

A bit surprised by how many of you use both sides. I'm a pretty frugal guy, but something about it just is uncomfortable to me. In side bound books I think it just has to do with the bound side. I'm a little more likely in a top bound book to use both sides, but sometimes I start drawing at the back of the book if I need to change my frame of mind.
