K is a 2012 anime series produced by the studio GoHands and directed by Shingo Suzuki. It began airing in Japan on October 4, 2012 and ended on December 27, 2012. Animax Asia began airing the episodes on with the same release schedule as in Japan. The series has been licensed by Viz Media in North America, and have also streamed the episodes on the VizAnime video site. On December 27, 2012, a ...

User Manual Eng A Lab

1. Introduction Moving fluid, in natural or artificial systems, may exert forces on objects in contact with it. To analyze fluid motion, a finite region of the fluid (control volume) is usually selected, and the gross effects of the flow, such as its force or torque on an object, is determined by calculating the net mass rate that flows into and out of the control volume.
