officers through the use of Decision Analysis principles, especially a Value-Focused Thinking approach. The value model was created based on the instructions of selecting long-term officers in the Korean Army. Individuals are evaluated by the model to retain qualified officers in the organization. The result of the model provides insight to the

Creativity in Decision Making with Value-Focused Thinking

Value-focused thinking is an approach to structuring decisions by concentrating on the decision makers' values and preferences rather than the limited alternatives at hand. We describe how we used value-focused thinking to construct a model for measuring the current condition of an urban watershed, Upham Brook, in Richmond, Virginia.

USING VALUE-FOCUSED THINKING TO EVALUATE THE USE OF ...

Value-Focused Thinking (VFT) provides a systematic approach to structure complex decisions for subsequent analysis. It is a powerful complement to decision analysis and its application has been growing in recent years.

Using Value Focused Thinking To

Value-focused thinking is designed to focus the decision maker on the essential activities that must occur prior to "solving a decision problem." The central role of thinking about values is illustrated in Figure 1. Value-focused thinking helps uncover hidden objectives and leads to more productive information collection.

A Framework for Designing Inpatient Stroke Rehabilitation ...

Value-Focused Thinking. The standard way of thinking about decisions is backwards, says Ralph Keeney: people focus first on identifying alternatives rather than on articulating values. A problem arises and people react, placing the emphasis on mechanics and fixed choices instead of on the objectives that give decisionmaking its meaning.

Value-Focused Thinking □ Ralph L. Keeney | Harvard ...

[Value-Focused Thinking] is both an inspired and inspiring book. It is also a rarity among academic and business texts: it is a 'damn good read.' Keeney writes well, arguing his case clearly in the abstract and illustrating it through numerous interesting and pertinent examples.

Using Value-Focused Thinking as an Alternative Means of ...

With focused thinking, your brain processes very specific information deeply; with diffuse thinking, the brain analyzes much more information at once but in less depth. Just like both flashlights will take you out of the dark, both modes of thinking will help you understand a subject better.

Decision Analysis Using Value-focused Thinking for ...

We use the framework of value-focused thinking in order to understand safety decisions made within our research partner organization, a major domestic oil tanker operator. We describe the results of interviews held with managers and employees from this organization.
