Vaccines: A Reappraisal by Richard Moskowitz

Vaccines: A Reappraisal is a well documented study of the science, politics, and propaganda around vaccines. It is refreshing to read the viewpoint of a doctor who thinks critically about these issues and doesn't simply accept the dogma promoted by an industry whose mission statements address the needs of stockholders instead of actual public health.

### Vaccines A Reappraisal

Vaccines, A Reappraisal was written by a rigorous physician who has stood up to "business as usual" many times in his career, when he's seen something dangerous, wrong, or immoral, as well as when the "science of the day" is not matching up to actual results.
