Shamanism organically arose all over the world, all throughout history, as a response to the needs of people. Shamanism is an ancient collection of traditions based on the act of voluntarily accessing and connecting to non-ordinary states – or spirit realms – for wisdom and healing.. The word “shaman” comes from the Siberian Tungus tribe.

Every day in cities, towns, and villages across the South, African Americans faced personal emergencies when the only restroom available for what could quickly become urgent needs was forbidden. A black person in that situation had to find some alternative or run the substantial risk of arrest or a beating for using a "Whites Only" restroom.
