SOURCE: need a wiring diagram for a chevy s10. brake. your power starts at the brake light fuse,check with a test light,then proceed to stop light switch on brake pedal under dash,one wire will be hot when when you check it with your test light, the other won't be until you press down the brake pedal then the power flows through to the second wire,if no power to second wire replace switch,if ...

Clocks & Tachograph & Trip Odometers

These Kienzle clocks are very similar in principle as the VDO ones. I have repaired some older type VDO hourmeters with the coil and clock work mechanism. Most often the relay contacts go high resistance and need cleaning up or replacing.
