Lego Technic / t k n k / is a line of Lego interconnecting plastic rods and parts. The purpose of this series is to create more advanced models with more complex technical functions, compared to the simpler brick-building properties of normal Lego.. The concept was introduced as the Expert Builder series and originally Technical Sets in 1977, and was renamed Technic in 1982.

Prompt service, merchandise arrived safely packed. Will use service again, and recommend to friends and fellow hobbyists. Jason. Absolutely fantastic service. Placed an order Friday, a week before Christmas and received goods on Monday. The fact that this is an Australian company is such a bonus. Will recommend you to all our friends.
