VWVortex.com - "Emissions Workshop!" warning on TDI

So i just installed the Ksport GT lowering springs last night, and the front of the car was lowered to around one inch of wheel gap (I can live with

that). But the rear was only lowered around 1/4 inch or so. I talked to the company and they said to let them settle. I know they still need to settle, but I doubt they will settle to the 1.8 inch drop in the front, and the 1.6 inch drop in the rear.
