Waukesha Engine Historical Society, Inc - WEHS  
I have a 1947 Pirsch fire truck with the original Waukesha 140GK engine and the original Spicer Browne transmission, model unknown. I've had a series of time consuming and costly calamities with the engine/engines. I'm now at a place where the engine runs great but has a severe rod knock and very low oil pressure once hot.

Waukesha Manuals | Parts, Service, Repair and Owners Manuals  
A January 2013 WEHS article (Model Designations 1906 - 1963) explained the Waukesha engine model designation schemes from 1906 to 1963. This article deals with the engine model designation scheme introduced circa 1963. The 1963 engine model designation scheme consisted of a letter designating the number of cylinders, followed by the approximate displacement of the engine, either in inches ...
